

Kansas Micro-Internship Program

Part-Time Student Ambassador

Micro-Internships are short-term, **paid**, professional projects where students can demonstrate skills, explore career options, and expand their network.

The Kansas Micro-Internship (KMI) Program allows Kansas-based organizations to engage a Kansas college student on real, professional projects at no-cost to them. As a Student Ambassador, you are helping to spread the word to your fellow students and local businesses about how they can participate in this program.

Position Duration:
Fall Semester 2023

Approximate # of Hours of Work: 30 (total)
Flexible schedule throughout the academic term

Payment Upon Completion:
\$450

Position Responsibilities:
Recruit at least 10 students to participate in the KMI Program by:

- Preparing emails or designing social media
- Facilitate presentations
- Collaborate with faculty, staff, and campus groups, etc.
